SIR

I have the honour to submit that the Villagers of Sosale in the T Narsipur Taluk have been maintaining an English School at their own cost from November last The school is attended by 26 pupils and is taught by a Matriculated teacher When the Committee Members applied for a Government Grant six months ago they were told to pay half the estimated cost of instruction for a year viz Rs 120 into the Treasury to the credit of the Village School Fund and then make an application for a grant They have accordingly paid the contribution and renewed the application Sosale is a pretty large

Village. There are both Kannada and Hindustani Schools in the Village for boys and girls and it is likely that the English School will also become a permanent institution. Under these circumstances I recommend that Government may be pleased to sanction a monthly grant of Rs 20 for a year from 1st September 1899 for the Private English school at Sosale in the T Narsipur Taluk in accordance with the orders contained in para 2 of Government Proceedings No 162—172½ dated 4th July 1896
